

boynq®

The boynq engineers did it again!
They came up with this masterpiece
in design and quality.

A truly magnificent Made for iPod
stereo speaker, **Sabre™**.

The full spectrum equalizer grants
total control to boost the sound to
an absolute enjoyment level
with crisp, clear and powerful
acoustics.

Words do not suffice to describe the
uniqueness of this product, sound
never looked so good!

Sabre™, who is the accessory
now?

sabre
